

# MARK YOUR CALENDARS!

## ATTEND THE METRO CONSTRUCTION CAREER EXPO OCT. 31 & NOV. 1-4, 2016

To address an acute workforce shortage in the construction industry, the Southern Illinois Builders Association and Southern Illinois Construction Advancement Program would like to invite you to attend a "hands-on" learning experience while visiting booths of the construction trades.

The schedule for this year's Metro Construction Career Expo is: student attendance during the day on **October 31st, November 2, 3, and 4th, 2016** at the Belle-Clair Fairgrounds, 200 South Belt East, Belleville, Illinois with a special evening session scheduled for parents and students on **Thursday, November 3 from 5 to 7 p.m.**

Materials will be distributed which include information on wage and fringe benefit packages available to craftsmen in the trades, curriculum choices that would better prepare students for a career in construction and the many advantages of a position with the construction trades, including training that is provided to participants at no cost to the individuals. Guidance to young students in the selection of and preparation for a career path that could result in fulfillment of the varying opportunities in the construction industry will be discussed.

 <p>PAINTERS</p>	 <p>CARPENTERS</p>	 <p>CEMENT MASONS</p>
